Deep Tissue Healing Therapy

60 | 90 Minutes

Deep tissue massage is designed to relieve pain and muscle tension throughout the body. This type of massage is extremely beneficial because it reaches the deepest layer of muscles, fascia and tendons through slow strokes and deep finger pressure on the contracted areas releasing deeply held patterns of tension, removing toxins, while relaxing and soothing the muscle.

Balinese Massage Therapy

60 | 90 Minutes

A traditional Indonesian deep tissue massage that combines the techniques of Ayurveda, Acupressure, Aromatherapy & Reflexology. The practitioner uses deep pressure to release areas of tense, knotted tissue as well as long massage strokes and skin rolling techniques to relieve stress and tension and improve circulation. Promotes harmony of the mind, body and soul.

Rejuvene Aromatherapy

60 | 90 Minutes

An alternative therapeutic technique which combines the natural therapeutic properties of the essential oils and the healing power of massage therapy. The inhaled aroma from these essential oils is widely believed to stimulate brain function. Essential oils can also be absorbed through the skin & travel through bloodstream thus promoting the whole-body healing, pain relief, mood enhancement and increased cognitive function.

Selection of Aroma Oils Available:-

Energising Massage Oil : Patchouli, Lime, Spearmint, Peppermint

Renjuvenating Massage Oil : Patchouli, Rose, Vetiver, Lavender

Relaxing Massage Oil : Bergamot, Cedarwood, Geranium, Clary Sage.

Ayurvedic Marma Abhayangam

60 | 90 Minutes

The traditional Indian massage done by expert therapists using herb infused oils. The massage is followed by a herbal steam bath and a hot shower. Effective for improving eyesight, longevity, sound sleep, rheumatism, removal of toxins and induces relaxation whilst normalizing blood pressure and eliminating impurities and thus resulting in glowing skin.

Swedish Relaxation Therapy

60 | 90 Minutes

A timeless full body massage style that uses long, flowing strokes to encourage relaxation, lymphatic drainage and detoxification. The different maneuvers of this massage are designed to ease tension caused by stress, injuries or poor posture. Along with stimulating blood circulation and restoring flexibility to body movements, it procures an overall sensation of blissful relaxation.

Indian Head, Neck & Shoulder Massage**45 Minutes**

A deep penetrating technique for releasing muscular tension from the scalp, neck and shoulders. This ancient Indian art of massage begins with a traditional Indian foot cleansing ritual followed by a gentle head massage for balancing the body and a pressure point foot massage for deep relaxation. Helps to resort the natural equilibrium of the body.

Thai Foot Reflexology**30 Minutes**

Based on the belief that there are reflex areas on the feet corresponding to all body parts including the major organs. Pressures are applied to accupoints, which are interrelated to the organs in the body. Beneficial in relieving pain and alleviating the source of pain.

Chakra Head Massage**30 Minutes**

A relaxing massaging technique for head and scalp, which loosens the thin layer of muscles covering the skull. This treatment helps to increase the constant supply of blood and can promote deep relaxation.

We recommend the two therapies in synergy. It is our professional recommendation to precede a body wrap with a body scrub. Scrubs slough off the natural build-up of dead skin cells. In-turn, this allows for maximum absorption of essential nutrients of the wrap.
